“INTENTIONS ARE
SEALED IN THE HEART,

AND THIS IS WHY YOU MUST CHANGE YOUR
HEART IF YOU WOULD LIKE TO CHANGE YOUR
LIFE. YOU CAN CHANGE YOUR MIND
A THOUSAND TIMES, AND YOU WILL
NEVER TOUCH YOUR INTENT.

IF YOU NEVER ENTER YOUR HEART,
YOU WILL FORGET WHAT YOU HAVE PLACED
THERE AND LOSE COMMAND OVER IT”

During our time together, I'll share how intuitive eating can lead you to eating healthy without having to force yourself to eat something you dislike or shame yourself for not eating the "right" thing.

I'll help you develop your inner knowing about what your body is craving and introduce you to a fresher, more energetic way of eating + living through a plant focused diet.

It's not exclusively plant based--we will be enjoying healthy fish + sustainable, safe, meats too! It's all about giving your body what it needs to thrive!

WHAT TO EXPECT

Liberate your Life

Imagine yourself in this luxurious setting in prestigious Hilton Head Island.

Visualize spending time in your body, nourishing your brain with supercharged plant based food, opening your heart, and addressing a lifetime of emotional traumas that get caught within the body.

Having time to disengage from our connected world, learning to incorporate Awareness, the Why behind unhealthy choices of limiting beliefs and the opening of your heart and allowing yourself to be set free with a happier life.

EXPERIENCE

THE JOY OF FINDING OUT WHO YOU REALLY ARE! (DEALING WITH THE VOICE/VOICES IN YOUR HEAD)

PURGE ALL LIMITING BELIEFS AND REALITIES THAT ARE HARMFUL TO YOURSELF AND OTHERS (WEIGHT, RELATIONSHIP, CONFIDENCE AND FORGIVENESS ISSUES)

RELEASE ALL REALITIES AND BELIEFS THAT DO NOT SUPPORT WHO YOU REALLY ARE

CREATE THE VISION OF THE LIFE YOU WANT TO LIVE!

TURNING BACK AROUND AND FACING THE LIGHT OF YOUR CREATOR AND ALLOW IT TO "TURN ON THE LIGHTS" IN YOUR LIFE - DEVELOPING THE BELIEF THAT WE ARE NOT ALONE!

Opening the heart process

The "Opening the Heart Process" guides you to integrate and process the changes you want to make each and every day while sharing tears and laughter with other people just like you!

Experiencing Bethany's "Opening the Heart Process" allows you to become conscious of the self-sabotaging beliefs we all possess, while learning how to address them.

Signature Heart Awakening

The "Opening the Heart" process works, it's the path that I have taken for the last 25 years.

Through the understanding of the relationship of brain and the heart, I have been able to address the limiting and self-sabotaging beliefs in my life.

All while experiencing a stroke, the loss of a brother and a divorce! I have documented this journey so that you can benefit from it. Enjoy this one week intensive that will allow you to not only see your limiting beliefs but replace them with beliefs that will allow for a happier fulfilled life!
